

President's Message
April 11, 2020

Dear CCM Members,

I regret to inform the Chihuahua Club of Michigan Membership of the CCM Board Members' unanimous vote to cancel our spring 2020 Specialty due to concerns regarding COVID-19. This decision was not made lightly, and major contributing factors included date change of the Apple Blossom Cluster, short time frame to arrange alternative Judges, financial implications for the Club and its Members, safety to members and spectators, and the mounting uncertainty with Governor Whitmer's extension to the stay-at-home mandate or group-gathering restrictions moving forward. We will proceed with our Specialty plans for 2021 in Kalamazoo as normal.

For those who are interested in showing should and once restrictions are lifted, please know that CCM will support Chihuahua entries for the Cluster's new show dates, all 5 days, August 27-31, 2020. The Heart of New England and the Houston Chihuahua Specialties are also the weekend before this date, August 20-23, 2020, if they continue as planned.

Alternatives to future General Membership meetings and puppy match are still being discussed, and I will keep you informed as I know more.

Thank you for your patience and understanding during this time. Please direct questions or concerns to myself or another Board Member. In the meantime, enjoy playing with and training your next show hopefuls.

Kind regards,
Dr. Anne Vargo
President, Chihuahua Club of Michigan
